A new boiler for St Peter's hall: We have the pleasure to inform you that we now have a brand-new boiler already up and running in the hall of St Peter's church. We are grateful to Matt Evans who has done the installation and will be overseeing its operation. Any group making use of the hall should please contact him to make sure the hall is nice and warm throughout their activities in this winter season.

COMMENCEMENT OF CENSUS

We are excited to announce that this week marks the commencement of the Census process for our two parishes. It is crucial for us to have a clear understanding of our parishioners in order to provide support both now and in the future. To achieve this, we kindly request that each household complete a Census Form. If you are aware of someone who is not currently attending or has lapsed, please take a form on their behalf and encourage them to fill it out. We encourage you to check off all applicable boxes and also consider subscribing to our newsletter. Further information about the Census and its significance for both you and our church will be shared during all the masses this upcoming weekend.

Second collection next Sunday for Misso (APF)
